AUGUST 2017

## **PRESIDENT'S REPORT**

I want to encourage all of you to attend the meeting this week. **Our guests for our program will be Jeff and Amanda from Canon City, who will update us on all things pertaining to the "Fun Machine" group of repeaters that they operate.** There will also hopefully be some discussion about other linked repeater systems that are in the state. Also remind you that forms are always available for ordering club t-shirts and windbreakers. Bring your checkbook if interested.
