DECEMBER 2017

PRESIDENT'S REPORT

We hope most of you can attend the meeting on Saturday, December 9th, to participate in our election for officers, board members, and the proposal for increasing Club dues. We will have a good lunch following and have a time for general fellowship and visiting. If you will not be able to attend, please contact me ASAP for an absentee ballot; my contact info follows. Thanks to the members who served on short notice for the VE exam held this past Saturday. As we look ahead to 2018, please contact me concerning any ideas you have for programs to follow our meetings, anything concerning ham radio that you might want more info on. We have many in the Club who are proficient in many different facets of the hobby, and they can help all of us learn more.

Happy Holidays to all as we approach the Christmas season, and I hope all of us can look forward to a prosperous and happy new year. Be careful and safe.
